What do I have to do to offer warranties?

★ Nothing! SquareTrade will do all the work for you...

We will sell warranties for you through a Warranty Logo on your auction listings, Winning Bidder Emails, and the SquareTrade Warranty Page...

★ **You can maximize warranty sales by using Warranty Shipping Inserts, adding Warranty Links to you own emails, and utilizing SquareTrade checkout...**

★ ... and we'll mail you a monthly or quarterly **commission** check. It's as simple as that.

We also offer wholesale warranties at discount prices – adding a 3 year warranty to your auctions is a great way to increase your margins and sell through. Call us for a quote if you're interested in this option.

They'll thank you with their business. We'll thank you with cash.
